HEALING WITH WATER

KNEIP AFFUSIONS

ANTI-CELLULITE-TREATMENT 55 mins. 74,- €

The combination of active ingredient-infused bandages and the effective wrapping technique supports the biochemical processes in a particularly gentle yet effective manner.

DETOX-TREATMENT 55 mins. 74,- €

Beginning with a glycolic acid peeling as part of optimum preparation for active ingredient absorption, a special active ingredient ampoule is then used to aid the removal of toxins in the tissue.
